Does your household burn the waste?

Kunyumba kwanu mumawotcha zinyalala?

- ◯ yes (Eya)
- ◯ no (Ayi)

We need two people from your house to wear personal exposure monitors. One person is the burner and one is the non-burner. Do you want to take part in our study?

Kukufunika anthu awiri kuti avale ma sensa. Munthu m'modzi amene amawotcha zinyalala, munthu winayo amene sama wotcha zinyalala. Mufuna kutenga nawo mbali pa kafukufuku ameneyu?

- ◯ yes (Eya)
- ◯ no (Ayi)

How many people slept here last night? (in this house/compound you are burning the waste for)

Kuna gona anthu angati kuno usiko wa dzulo ?

Section A: Questions to ask the person responsible for burning the waste

What is the age of burner?

Amene ama wotcha zinyalala ali ndi zaka zingati?

What is the sex of the burner?

Amene ama wotcha zinyalala, ndi wamamuna kapena wankazi?

- ◯ male (mamuna)
- ◯ female (nkazi)
- ◯ do not want to answer (Sindikufuna kuyankha)

What does the burner do in the house s/he is burning the waste at?

Amene amawotcha zinyalalayo munyumbamo ama gwira ntchito yanji?

- ◯ live in the house (Kukhala munyumbamo)
- ◯ work at the house (Kugwila ntchito munyumbamo)
- ◯ work and live in the house (Kugwila ntchito ndi kukhala munyumbamo)

In which location does the burner live?

Amene amawotcha zinyalalayo amakhala kuti?

In which location does the burner work? (write "no work" if the person does not work)

Amene amawotcha zinyalalayo, ku ntchito kwake ndi kuti?

How do you prepare the waste before burning?
Musanawotche zinyalala, mumazikhoza motani?

- ◯ Dry it
- ◯ Others

If other, specify

_____

How many days ago did you burn?
Papita masiku angati muta wotcha zinyalala ?

_____

What type of waste will you be burning today?
Lelo muwotcha zinyalala za ntundu wanji ?

- ◯ household waste
- ◯ garden waste
- ◯ household and garden waste

At what time will you burn the waste today?
Lelo muwotcha zinyalala nthawi zanji?

hh:mm

_____

Section B: Questions to ask the person who is not burning the waste but wearing the monitor

What is the age of non-burner?
Amene sama wotcha zinyalala ali ndi zaka zingati?

_____

What is the sex of the non-burner?
Amene sama wotcha zinyalala ndi wamamuna kapena wankazi?

- ◯ male (mamuna)
- ◯ female (nkazi)
- ◯ do not want to answer (Sindikufuna kuyankha)

What does the non-burner do in the house in which the burner is burning the waste?

Amene sama wotcha zinyalala ama gwira ntchito yanji mu nyumba mumene mumawochedwa zinyalala?

- ◯ live in the house (Kukhala munyumbamo)
- ◯ work at the house (Kugwila ntchito munyumbamo)
- ◯ work and live in the house (Kugwila ntchito ndi kukhala munyumbamo)

In which location does the non-burner live?

Amene sama wotcha zinyalala amakhala kuti?

_____

In which location does the non-burner work?

Amene sama wotcha zinyalala ku ntchito kwawo ndi kuti ?

_____

Section C: Install the monitors over the people - Enter the following details

MA200 serial number - burner

- ◯ MA200-0416
- ◯ MA200-0420

MA200 serial number - non-burner

- ◯ MA200-0416
- ◯ MA200-0420

Alphasense serial number - burner

- ◯ opc-1
- ◯ opc-2

Alphasense serial number - non-burner

- ◯ opc-1
- ◯ opc-2

_____

Section D: Things to measure (waste characterization)

Mass of wood and leaves (kg)

Mass of plastics (kg)

Mass of textiles (kg)

Mass of cardboard and paper (kg)

Mass of others (kg)

Section E: Things to observe during burning

At what time does the burner start burning the waste?
Amene amawotcha zinyalala amayamba kuziwotcha nthawi zanji ?

hh:mm

How does the burner initiate the fire?
Amene amawotcha zinyala moto amawuyatsa bwanji ?

- only with matchstick/lighter
- add paraffin
- add plastics
- others

if others, specify

How many times the waste was stirred during the burning?
Amene amawotcha zinyalala amazi sakaniza kangati ?

How many times was the reignition required?
Amene amawotcha zinyalala moto amawuyatsaso kangati ?

At what time does the burning finishes?
Ama maliza kuwotcha nthawi zanji ?

hh:mm

What are the possible reasons in case the reignition is needed?
Ndi zifukwa zanji zimene moto ungafunike kuyatsidwaso ?

Is there any other behaviour that can affect personal exposure? If yes, what is it?
Kodi pali mchitidwe wina umene unga khudze munthu kukhudzika ndi moto payekha ? Ngati ulipo ndi chani ?

Did the burner stayed at the house during the whole burning session?

- ◯ yes
- ◯ no

Did the non-burner stayed at the house during the whole burning session?

- ◯ yes
- ◯ no

Record any other notes here
Lembani notsi zina apa
